

By law Preston Swimming Club requires that anyone working or assisting on poolside should have an up to date C.R.B clearance. Anyone who holds a clearance with another sport or place of work is still required to complete a form in accordance with the A.S.A guidelines.

Will anybody filling in C.R.B forms please present the form and relevant documentation to the club secretary Christine Billington who will check the evidence, sign the forms and give them back to the applicant to send off to the ASA.

There is no charge to applicants and all information is confidential.

Christine can be contacted on 01772 460604 or
e-mail shawfam@blueyonder.co.uk

Your help is always very much appreciated, an opportunity to be involved with the club and to also gain experience in a sporting environment.

For any further information regarding C.R.B please go to the link below
