

2009 Youth and Age Group Championship qualifying times

1. The 2009 NQT's have been used as the basis for the revision of the ASANWR QT's for the 2009 Youth and Age Group Championships. (Regional Championships QT's will follow at a later date.)
2. There has been a complete re-appraisal of all ASANWR QT's for 2009 and this has led to some small changes in most cases and to some larger changes in other cases.
3. All of the NQT's have a factor applied to them in order to generate the ASANWR QT's. For 2009 the ASANWR QT's have been rationalised using standard factors which can and do vary from age group to age group. The factors used for 2009 are based upon (but invariably are not the same as) the factors that were used in 2008.
4. Some events have been amended to produce a greater difference between regional and county QT's (in some cases in 2008 there was little or no difference).
